Short Break Trips

We are pleased to announce that the 2 upcoming trips we have for 2019 are:

- GLAMPING in Gloucestershire
- Summer Holiday - venue TBC

Glamping in Gloucestershire: Nestled in the heart of the Forest of Dean, we will be staying at a beautiful holiday park with scenic surrounding of nature. The holiday park has leisure facilities including an indoor pool, a gym, sauna and a hot tub. What's more, there is also a nearby Go-Ape park for those who want to take on the high trees. This will of course need to be booked in advance at an additional cost.

We will be sleeping in brand new luxury pods that have a shower, toilet and even TV. There is an outdoor picnic area where we will spend time enjoying and exploring the outdoors, each other's company and good food. There is also a restaurant for some evening meals or other meals we fancy.

There will be volunteers with members during this trip.

We are aiming to go in either April or May 2019, so please register your interest immediately to avoid disappointment, as we only have a few spots available.

Summer Holiday: For those of you that missed Ibiza last year, you will not want to miss next year. Our annual summer trip does still involve going to a hot summer destination, this is still to be determined.

The options we had for August 2019 are either Malaga, Tenerife or Aya Napa. Whichever option we chose will most certainly be an event not to be missed.

We will be spending a few days enjoying glorious weather, lovely food, gorgeous beaches and last but not least, the chance to party and have some fun spending good quality time with each other.

There will be volunteers with members during this trip. Dates and destination will be confirmed as soon as we can. Please register immediately as this too will have limited spaces available.
